Every Wednesday Night is Club night!

This is a popular night for social members and sailors that come in for a chat. Come down and join us for a drink. Enjoy your 20% discount on our Bar and Restaurant prices. Sailors look at our very interactive web site for all you latest results, photos and gossip. www.rpcyc.com

Dear Members,

Winter is now on its way out and we look forward to the summer months with enthusiasm. We have a full sailing programme including RPCYC hosting the Port of Plymouth Regatta this year.

We also welcome the **West Hoe Sailing Club** who will be racing from our club on Thursday nights during this summer.

The winter sailing series has been a success thanks to the Rear Commodore Sail and his team. The Laser World and European Qualifier held recently at the club received many praises.

Our catering continues to receive high praise from customers. We have a full diary for weddings and private functions

The club has a full programme of social events this year, the highlight of which is the **Summer Ball on the 10th July**. The plans are to make this the most entertaining Summer Ball we have had for some years so please bring your friends as we need a full house for this event.

The club has seen many changes since it was formed in 1877, one of them occurred at the outbreak of WW 11 when the War Office, as it was then, took over the premises for the duration of the war. It was therefore very interesting to hear an elderly couple talking of the last time the husband had been in the building in 1939. Having introduced myself I was interested to hear the history of the building at that time, apparently there were six doctors carrying out medicals on personnel conscripted for military service and this gentleman was one of sixty examined that day. This history from the past from some one who was there at that time was fascinating.

This is your club please come and enjoy your 20% discount

Live music with Supper

Friday 28th May £10.50

7.30 to 11.30pm

SUMMER BALL Friday 10th July

The Summer Ball, and the Commodore's Dinner in December, are the two events in the year when we try to 'push the boat out' a little, and put on something which is fun, of high quality, and excellent value for money.

For various reasons the Ball was not held last year, so this year we are working to make it something rather special.

The evening will start with a Commodore's Reception at 7.00, followed by a Buffet Dinner prepared by the Chefs to their usual very high standard. Dancing from 8.30 to Midnight is to **Metropolis** who proved such a success recently. An 'up-close' magician will be amongst us, and we hope to finish the evening with some fireworks and bacon sandwiches.

The Raffle will be split between the Devon Air Ambulance and Club funds. The Balcony will be lit and if, (a big 'if'), the weather is fine will be the place for a breath of air between dances.

Tickets are now available at £27.50 each; either direct from the Clubhouse, or by phoning if more convenient.

Parties can be accommodated on round tables seating ten.

I do hope you will be able to join us.

Roger Payne

Vice Commodore
